

HARM MINIMISATION WORKSHOP

This interactive workshop will explore the latest on harm minimisation and how to reduce negative impacts on patients and the community.

FEATURING:

Dr David Jacka
Addiction Medicine Specialist
Monash Health

Dr Jacinta Johnson
Lecturer in Pharmacy
University of South Australia
Pharmacy

William Wood
Clinical Nurse Consultant
Medically Supervised Injection Centre

Angelo Pricolo
Community Pharmacist
& National Councillor
The Pharmacy Guild of Australia

HIGHLIGHTS:

- **Our addiction to pleasure** (Dr David Jacka)
- Partial opioid agonists long acting injection
- Navigating different dose forms of naloxone
- Harm reduction for people who inject drugs
- Minimising harm with prescription opioids

Don't miss this opportunity to review, revise and renovate your knowledge of substance addiction, and how this applies in your everyday practice.
